

Retirement Account Customer Agreement

To my Broker/Dealer (“You”) and National Financial Services LLC (“NFS”), a Fidelity Investments company.

In this document, “NFS” includes its officers, directors, employees, agents, affiliates, shareholders, successors, assigns and representatives as the context may require.

In consideration of You and NFS opening one or more brokerage accounts as part of my Premiere Select Traditional IRA, Premiere Select Rollover IRA, Premiere Select SEP-IRA, Premiere Select SIMPLE IRA, Premiere Select Roth IRA, Premiere Select IRA Beneficiary Distribution Account, Premiere Select Roth IRA Beneficiary Distribution Account, Premiere Select Retirement Plan, and/or Premiere Select Retirement Plan Beneficiary Distribution Account (each of which is referred to herein as “account” or “retirement account”) on my behalf, I represent and agree as follows:

1. I appoint You as my agent for the purpose of carrying out my directions to You in accordance with the terms and conditions of this Agreement with respect to the purchase or sale of securities in my account. To carry out Your duties, You are authorized to place and withdraw orders and take such other steps to carry out my directions.
2. I understand that You will have access to informational tax reporting with regard to my retirement account, including IRS Form 1099-R and IRS Form 5498 reporting information, as applicable, unless I notify NFS otherwise.
3. I understand that You have entered into an Agreement with NFS (a NYSE member firm) to execute and clear all brokerage transactions.
4. I understand that FMTC, Custodian of my Premiere Select IRA or the Trustee of my Premiere Select Retirement Plan, as applicable, and NFS do not provide any investment advice as defined under the Employee Retirement Income Security Act of 1974 (“ERISA”), the Internal Revenue Code, and/or any applicable Securities regulations, in connection with this account, nor does NFS give any advice or offer any opinion with respect to the suitability of any security or order. All transactions will be done only on my order or the order of my authorized representative, except as otherwise described herein.
5. **IRA for a Minor** – If this is a Premiere Select Traditional, Roth, Rollover, or SEP-IRA or IRA BDA for a minor, I understand NFS will maintain an account established under the Uniform Gifts to Minors Act or Uniform Transfers to Minors Act (UGMA/UTMA) for which I act as UGMA/UTMA Custodian. I understand that I represent and warrant the assets in the account belong to the minor, and all such assets, whether or not transferred out of the minor’s IRA, will only be used by me for the benefit of the minor. As used herein, “I” or “my” shall refer to the UGMA/UTMA Custodian. I acknowledge agreement with the following additional terms and conditions:
 - The minor has earned income to contribute to an IRA (excluding IRA BDAs).
 - The maximum amount that may be contributed to the minor’s IRA (excluding IRA BDAs) for any year is equal to the lesser of 100% of the minor’s compensation or the annual IRA contribution limit. (Refer to the **Premiere Select IRA Contribution Guide** for information on annual IRA contribution limits.)
 - I, the UGMA/UTMA Custodian, have read, understand, and agree to the terms and conditions set forth in the **Premiere Select IRA Application, the Premiere Select Retirement Account Customer Agreement (“Customer Agreement”), the Premiere Select IRA Custodial Agreement and Disclosure Statement, or the Premiere Select Roth IRA Custodial Agreement and Disclosure Statement**, as applicable.
 - The UGMA/UTMA Custodian will exercise the powers and duties of the Depositor as described in the Agreements.
 - The beneficiary of the IRA will be the minor’s estate or as otherwise determined in accordance with the applicable state Uniform Gifts to Minors Act or Uniform Transfers to Minors Act, as indicated in Article 8, Section 8(b)(2) of the Premiere Select IRA Custodial Agreement.

- The minor’s IRA will contain the UGMA/UTMA Custodian designation in the IRA registration. NFS and FMTC shall have no responsibility to determine when the minor reaches the age of account termination or for determining whether any such notification is proper or valid under state or federal law.
 - Upon reaching the age of account termination in the state under which the account was first established, the UGMA/UTMA Custodian must advise the IRA Custodian in writing (accompanied by such supporting documentation as the IRA Custodian may require) that the minor is assuming sole responsibility to exercise all powers and duties associated with the administration of the IRA. Absent such written notice by the UGMA/UTMA Custodian, the IRA Custodian shall have no responsibility to acknowledge the minor’s exercise of such powers and duties of administration.
 - Acceptance by the IRA Custodian of the contribution to this IRA is expressly conditioned upon the UGMA/UTMA Custodian’s agreement to be responsible for all requirements and to exercise the powers and duties of the Depositor with respect to the operation of the IRA.
 - I understand that the minor will have access to information that I provide to You on this Application.
6. Although FMTC is a bank, I recognize that any investment company (e.g., any mutual fund/money market fund) in which this retirement account may be invested is not a bank and is not backed or guaranteed by any bank or insured by the FDIC.
 7. **Account Protection.** Securities in accounts carried by NFS are protected in accordance with the Securities Investor Protection Corporation (“SIPC”) up to \$500,000. The \$500,000 total amount of SIPC protection is inclusive of up to \$250,000 protection for claims for cash, subject to periodic adjustments for inflation in accordance with terms of the SIPC statute and approval by SIPC’s Board of Directors. NFS also has arranged for coverage above these limits. Neither coverage protects against a decline in the market value of securities, nor does either coverage extend to certain securities that are considered ineligible for coverage. For more details on SIPC, or to request a SIPC brochure, visit www.sipc.org or call 202-371-8300.
 8. **Equity Dividend Reinvestment Service (the “Service”) – Provision of Equity Dividend Reinvestment Plan.** My enrollment in the Service will be activated on the day I notify You by telephone, or within 24 hours after receipt of my written notification, that I wish to enroll an eligible security. Upon activation of my enrollment, I agree to be bound by this Agreement as well as any other agreements between us that apply to my brokerage account.

This service is subject to the terms and conditions set forth in this section, and I understand that my dividend reinvestment options might be different if I were to hold securities directly with certain types of issuers, such as mutual funds, instead of through my IRA.

I may direct You to add the Service to either all eligible securities in my account or selected eligible individual securities. My enrollment authorizes You to automatically reinvest cash dividends and capital gain distributions paid on such eligible securities held in my account (collectively, “dividends”) in additional shares of the same security.

To add or remove the Service with respect to securities in my account, I must notify You of my election on or before 9:00 p.m. Eastern Time (ET) on the dividend record date for such security. If the dividend record date falls on a nonbusiness day, then I must notify You on or before 9:00 p.m. ET one business day prior to the dividend record date for such security. Dividends will be reinvested on any shares of all enrolled securities provided that I own such shares on both the dividend record date and the dividend payable date.

Dividend reinvestment does not assure profits on my investments and does not protect against loss in declining markets.

I understand that You reserve the right to terminate or amend the Service and reinvestment plan described in this section at any time, without notice, including instituting commissions or transaction fees.

Eligible Accounts. The Program is available to brokerage customers who maintain cash, margin, or retirement brokerage accounts.

Eligible Securities. To be eligible for the Service, the enrolled security must be a closed-end fund or domestic common stock (including ADRs) that is margin eligible (as defined by NFS). In order for my enrollment to be in effect for a given security, my position in that security must be settled on or before the dividend record date. Foreign securities and short positions are not eligible for the Service. Eligible securities must be held in street name by NFS or at a securities depository on behalf of NFS.

If I attempt to enroll a security for which I have placed a buy limit order that has not been filled, my enrollment election will be held for five (5) consecutive business days, at which point I must notify You of my desire to re-enroll the security for another five (5) consecutive business days.

If I am holding a security in my account that is ineligible for enrollment, and the security subsequently becomes eligible, any existing account-level reinvestment instructions will take effect for that security.

The reinvestment of dividends may be delayed in certain circumstances. NFS reserves the right to suspend or completely remove securities from participation in dividend reinvestment and credit such dividends in cash at any time without notice.

Eligible Cash Distributions for Reinvestment. Most cash distributions from eligible securities selected for participation in the Service may be reinvested in additional shares of such securities, including cash dividends and capital gain distributions. Cash-in-lieu payments, late ex-dividend payments, and special dividend payments, however, may not be automatically reinvested. If I enroll a security in the Service, I must reinvest all of its eligible cash distributions. I understand that I cannot partially reinvest cash distributions. I also understand that I cannot use any other funds in my brokerage account or any other account to make automatic reinvestment purchases.

Dividend Reinvestment Transactions in Eligible Securities. On the dividend payable date for each security participating in the Service, You will credit my account in the amount of the cash dividend to be paid (less any amounts required by law or agreement to be withheld or debited). Three (3) business days prior to the dividend payable date, NFS will combine cash distributions from my account with those from other customers requesting dividend reinvestment in the same security and use these funds to purchase securities for me and the other customers on a best-efforts basis. My account will be credited with the number of shares equal to the amount of my funds to be reinvested in a particular security divided by the purchase price per share. If several purchase transactions are required in order to reinvest my and other customers' eligible cash distributions in a particular security, the purchase price per share will be the weighted average price per share for all such shares purchased.

Under certain conditions a dividend may be put on hold by the issuing company. If a dividend is on hold on the payable date, reinvestment will not be performed. If a dividend is released from hold status after dividend payable date, dividend reinvestment will be performed on the date the dividend is actually paid.

If I liquidate shares of an enrolled security between the dividend record date and the business day prior to the dividend payable date, such shares will not participate in the Service and I will receive the dividend as cash in my core account investment vehicle ("core account"). (See below for more information on your core account.) If I liquidate shares of an enrolled security on dividend payable date, such shares will participate in the Service.

I will be entitled to receive proxy voting materials and voting rights for an enrolled security based on my proportionate shares. For mandatory reorganizations, I will receive cash in lieu of my partial shares. For voluntary reorganizations, instructions I give You will be applied to my whole shares and the partial shares will be liquidated at market price.

Partial Shares. Automatic reinvestment of my eligible cash distributions may give me interests in partial shares of securities, which will be calculated to three decimal places. I will be entitled to receive dividend payments proportionate to my partial share holdings. If my account is transferred, if a stock undergoes a reorganization, or if stock certificates are ordered out of an account, partial share positions, which cannot be transferred, reorganized, or issued in certificate form, will be liquidated at

the closing price on the settlement date. The partial share liquidation transaction will be posted to my account on the day following the settlement date. I may not liquidate partial shares at my discretion. If I enter an order to sell my entire whole share position, any remaining partial share position will be liquidated at the execution price of the sell and will be posted to my account on the settlement day. No commission will be charged for the liquidation of the partial share position.

Confirmations and Monthly Statements. In lieu of separate immediate trade confirmation statements, all transactions made through the Service will be confirmed on my regular monthly brokerage account statement. I may obtain immediate information regarding a dividend reinvestment transaction on the day after the reinvestment date by calling You.

Continuing Effect of Authorization; Termination. I authorize You to purchase for my account shares of the securities I have selected for the Service. Authorizations under this section will remain in effect until I give You notice to the contrary on or before 9 p.m. ET on the dividend record date. If the dividend record date falls on a non-business day, then notice must be given on or before 9 p.m. ET at least one business day prior to the dividend record date. Such notice will not affect any obligations resulting from transactions initiated prior to Your receipt of the notice. I may withdraw completely or selectively from the program. If I transfer my account, I must re-enroll my securities for reinvestment. Enrollment elections for securities that become ineligible for the Service will be canceled after 90 days of continuous ineligibility.

Automatic Dividend Reinvestment Transactions through the Depository Trust Company. I understand that if I elect to participate in the Service, reinvestment for certain securities may occur through the Depository Trust Company's dividend reinvestment service (the "DTC program"). DTC and the issuer determine which securities participate in the DTC program. Only certain eligible DTC program securities will participate in the Service, and such eligibility is determined by NFS. I can obtain immediate information regarding DTC-eligible securities by telephoning You.

Securities eligible for reinvestment through the DTC program portion of the Service cannot participate in the cash reinvestment portion of the Service. If a DTC program-eligible security subsequently becomes DTC program-ineligible and I have elected dividend reinvestment for that security, I will automatically continue to participate in the cash reinvestment portion of the Service. If a DTC program-ineligible security subsequently becomes DTC program-eligible and I have elected dividend reinvestment for that security, then I will continue to participate in the Service through the DTC program portion of the Service for that security. No communication regarding these changes will be provided to me.

You will post the DTC program transaction to my account when the details, including determination of any discount, are made available to You by DTC. Such transactions, although not posted to my account on the dividend payable date, will be effective as of such date. If I liquidate my shares after the dividend record date, but before the DTC program reinvestment is posted to my account, then I will receive the dividend in cash.

9. I understand that if I have elected to convert an IRA, other than a Premiere Select IRA, to a Premiere Select Roth IRA, then all parts of this Agreement, including the Application and the information herein, will apply to both my Premiere Select IRA established to facilitate the conversion and to my Premiere Select Roth IRA. I understand that I cannot convert assets in my SIMPLE IRA to a Roth IRA until after the expiration of the two-year period, beginning on the date I first participated in a SIMPLE IRA Plan maintained by my employer.

10. If I am opening an account with a distribution from an employer-sponsored retirement plan, I certify that such a distribution is a qualified total or partial distribution, which qualifies for rollover treatment, and I irrevocably elect to treat this contribution as a rollover contribution.

11. If I am opening a Roth IRA or Roth IRA BDA with a rollover from an employer-sponsored retirement plan, I certify the rollover is from an eligible employer-sponsored retirement plan and the rollover contribution meets applicable Internal Revenue Code requirements.

12. In the event that any securities in my account become non-transferable, NFS may remove them from my account without further notice. Non-transferable securities are those where transfer agent services

have not been available for six or more years. A lack of transfer agent services may be due to a number of reasons, including that the issuer of such securities may no longer be in business and may even be insolvent.

Note the following:

- There are no known markets for these securities.
- NFS is unable to deliver certificates to me representing these positions.
- These transactions will not appear on Form 1099 or any other tax-reporting form.
- The removal of the position will not be reported as a taxable distribution and any reinstatement of the position will not be reported as a contribution.
- If transfer agent services become available sometime in the future, NFS will use its best efforts to have the position reinstated in my account.
- Positions removed from my account will appear on my next available account statement following such removal as an "Expired" transaction.

By opening and maintaining an account with NFS, I consent to the actions as described above, and I waive any claims against You or NFS arising out of such actions. I also understand that You do not provide tax advice concerning my account or any securities that may be the subject of removal from or reinstatement into my account and I agree to consult with my tax advisor concerning any tax implications that may arise as a result of any of these circumstances.

13. In the event I become indebted to You or NFS in the course of operation of this account, I agree that I will repay such indebtedness upon demand. All securities and other property now or hereafter held, carried, or maintained by NFS for any of my brokerage accounts, now or hereafter opened, including brokerage accounts in which I may have an interest, including, but not limited to, assets held in a bank sweep product, shall be subject to a lien for the discharge of all of my indebtedness and other obligations of the undersigned to You or NFS and are held by NFS as security for the payment of any of my liability or indebtedness to You or NFS in any of the said brokerage accounts. You and NFS shall have the right to sell, assign, or transfer securities, withdraw any funds from a bank sweep product, and apply, as appropriate, or any other property so held by You or NFS, from or to any other of my brokerage accounts whenever in Your judgment You or NFS consider such a transfer necessary for Your protection in enforcing Your lien. You or NFS shall have the discretion to determine which securities and property are to be sold or withdrawn, and which contracts are to be closed. **No provision of this Agreement concerning liens or security interests shall apply to the extent such application would be in conflict with any provisions of ERISA or the Internal Revenue Code or any related rules, regulations, or guidance.**

When street name or bearer securities held for me are subject to a partial call or partial redemption by the issuer, NFS may or may not receive an allocation of called/redeemed securities by the issuer, transfer agent and/or depository. If NFS is allocated a portion of the called/redeemed securities, NFS utilizes an impartial lottery allocation system (the "Lottery Process"), in accordance with applicable rules, that randomly selects the securities within customer accounts that will be called/redeemed. NFS' allocations are not made on a pro rata basis and it is possible for me to receive a full or partial allocation, or no allocation. I have the right to withdraw uncalled fully paid securities at any time prior to the cutoff date and time established by the issuer, transfer agent and/or depository with respect to the partial call, and also to withdraw excess margin securities provided that my account is not subject to restriction under Regulation T or such withdrawal will not cause an under-margined condition.

14. All transactions are subject to the constitution, rules, regulations, customs, and usages of the exchange, market, or clearinghouse where executed, as well as to any applicable federal or state laws, rules, and regulations.

15. To the extent that any part of this Customer Agreement, the related Application, Custodial Agreement and Disclosure Statement, or Premiere Select Retirement Plan and Trust Agreement ("the

Documents"), as applicable, were obtained online by me, I represent to the best of my knowledge that the terms of the Documents have not changed and are identical to the terms as originally set forth by FMTC or its successors, NFS, and You. I acknowledge that any alteration of the Documents' original terms shall be null and void, and I shall be bound by the terms of the original Documents as set forth by FMTC, NFS, and You. I also understand and acknowledge that any Agreements established by the above-referenced Documents may be terminated in the event that FMTC, its agents, affiliates, or its successors have reasonable grounds to believe the Document(s) has/have been altered.

16. No waiver of any provision of this Agreement shall be deemed a waiver of any other provision, nor a continuing waiver to the provision so waived. No provision of this Agreement can be amended or waived, except by an authorized representative of NFS.

17. I understand that sufficient funds must be in my account by the settlement date of any order I place, including transaction costs and any applicable commissions or fees in addition to other amounts FMTC, NFS, or You may deem necessary.

18. An investment in a money market fund is neither insured nor guaranteed by the Federal Deposit Insurance Corporation (FDIC) or any other U.S. government agency. Although a money market fund seeks to preserve the value of my investment at \$1.00 per share, it is possible to lose money by investing in a money market fund. I understand that investing in a tax-exempt security is generally inappropriate for a retirement account.

19. I understand that my account includes a core account that is used for settling transactions and holding credit balances. Amounts credited to my core account will be invested in the core account investment vehicle I indicate on my account application. I understand that if I do not select a core account investment vehicle, or I am or become a non-U.S. customer who then returns to the U.S., I authorize my Broker/Dealer or NFS to use the default option as the core account investment vehicle. This will either be a specific money market mutual fund, in which event my Broker/Dealer will provide the prospectus for that fund, or a bank sweep product, in which event my Broker/Dealer will provide a disclosure document describing that product in detail. If I am or become a non-U.S. customer, the core will be a money market fund that is eligible for purchase by non-U.S. customers or my uninvested cash will remain in a free credit balance. Different core accounts may have different rates of return and different terms and conditions, such as FDIC insurance or SIPC protection. I understand that if I do not select a core account, my Broker/Dealer may not consider these differences when selecting a default core account for me.

20. I understand that if I (or in the event I do not, You) choose a Bank Deposit Sweep Program as my core account investment vehicle, cash balances in my Account will be automatically swept into interest-bearing deposit accounts at one or more federally insured banking institutions that are participating in the Bank Deposit Sweep Program (each, a "Bank") as more fully described in the Disclosure Document. My cash balances held at each Bank will be eligible for FDIC insurance up to \$250,000 (principal plus accrued interest) per depositor in each insurable capacity per Bank, in accordance with applicable FDIC rules. All deposits (for example, deposits you may make at the Bank outside of the Bank Deposit Sweep Program plus the Bank Deposit Sweep Program cash balance) held by an individual in the same right and legal capacity and at the same Bank are insured up to \$250,000 as described above. Special rules apply to insurance of trust deposits. The amount of FDIC coverage will be limited by the number of Banks in the Bank Deposit Sweep Program, the number of Banks in which your money is deposited, and other factors as more fully described in the Bank Deposit Sweep Program disclosure document. All FDIC insurance coverage is in accordance with FDIC rules.

I understand that You and NFS will not monitor the amount of my bank sweep balance to determine whether it exceeds the limit of available FDIC insurance. I understand that I am responsible for monitoring the total amount of my assets on deposit with the Bank (including accounts at the bank held in the same right and legal capacity) in order to determine the extent of deposit insurance coverage available to me on those deposits, including my bank sweep balance held at the Bank. If I am a trustee, I understand that I am responsible for determining the application of FDIC insurance for myself and my beneficiaries.

21. I have received and read the appropriate prospectus or disclosure document for the core account designated in the attached retirement account application(s). I understand that my account statement details all activity in the core account. This statement is provided in lieu of a confirmation that might otherwise be provided to me with respect to those transactions. I understand if I have a money market fund for my core account, all core credits will be automatically swept into that fund. All investments must meet the fund's investment minimums. Money in my core account money market fund earns dividends, as described in the applicable fund's prospectus. If in the future, I have a different money market fund for my core account, these provisions will still apply. I further understand that if I chose a money market mutual fund as my core account, some or all of the funds' distribution and service plans, as allowed under SEC Rule 12b-1, permit the funds to pay fees to broker/dealers with respect to the distribution of the funds' shares, and that You or NFS may receive such a fee as a result. I understand that You may charge additional fees and that neither NFS nor FMTC shall incur any liability for the payment of any fees to You from assets in my account.

If I have selected a bank sweep product as my core account, my core account credits (which are considered cash balances awaiting reinvestment) will be moved each day to the bank sweep. The rate of any interest paid is determined by the Bank(s) and/or my Broker/Dealer, as indicated in the applicable disclosure document, and may change at any time without notice to me. I understand that if I want to learn more, I may speak with an Investment Representative.

Indicating no choice is my authorization for my Broker/Dealer to use its default option as the core account. This will either be a specific money market mutual fund in which event my Broker/Dealer has provided the prospectus for that fund, or a bank sweep product in which event my Broker/Dealer has provided a disclosure document describing that product in detail.

I further understand that my Broker/Dealer and NFS may receive compensation with respect to amounts invested in my core account and that I should review the appropriate prospectus or disclosure document for additional information. I have been provided a description of these fees and represent that these fees are reasonable in light of the services provided.

If the core account designated in my retirement account becomes unavailable, or if my core account is a money market fund that imposes a fee or gate, my Broker/Dealer may select an alternative core account in accordance with applicable rules and regulations, including the Internal Revenue Code and ERISA. In this event, I understand and agree that any or all credit balances in my account will be placed into the alternative core account. I understand that my Broker/Dealer may change the products available as core account options.

By signing the Account Application, I represent that I have read this Customer Agreement and understand, authorize and consent to my Broker/Dealer changing my core account, if it becomes unavailable due to circumstances beyond the control of my Broker/Dealer, to another money market mutual fund or bank sweep product, if available, in accordance with applicable rules and regulations, including the Internal Revenue Code and ERISA. I agree to hold NFS, my Broker/Dealer and/or their agents harmless for any actions taken in connection with or resulting from changing my core account, including but not limited to any changes in the rate of return offered by the alternative core account.

22. I understand that NFS and FMTC reserve the right not to accept assets in my account until such time as NFS has received my completed paperwork, determined the same to be in good order, and accepts my retirement account on behalf of FMTC, as indicated by a letter of acceptance. I agree to indemnify and hold NFS and FMTC (and their affiliates, successors, and employees) harmless from any loss or liability that they or I may incur as a result of assets in my account not being accepted until such time as NFS has received my completed retirement account paperwork, determined the same to be in good order, and accepts my retirement account on behalf of FMTC.

23. I hereby acknowledge that there are fees associated with my retirement account. I understand that there is a \$35 NFS Annual Maintenance Fee that may be paid separately (if consented to by NFS) or collected from my retirement account. I understand that there is a \$95 NFS Liquidation/Termination fee that will be collected directly from my retirement account when I liquidate or terminate

my retirement account. I understand and hereby acknowledge that NFS may change the fees from time to time. I will contact my Broker/Dealer for further fee information.

If my retirement account is enrolled (or subsequently becomes enrolled) in a managed account program with my Broker/Dealer, I authorize NFS to deduct from my retirement account fees for financial advisory services rendered to me by my Broker, Financial Advisor, or Investment Professional (herein, "Investment Professional") in connection with my retirement account, and as described in my Premiere Select IRA Custodial Agreement and Disclosure Statement or my Premiere Select Retirement Plan and Trust Agreement, as applicable. I represent that I have reviewed the financial advisory fees with my Investment Professional. I understand that the determination of whether any financial advisory fees paid to my Broker/Dealer and/or Investment Professional are reasonable for the services provided to me by my Broker/Dealer and/or Investment Professional is my sole responsibility, and that NFS and FMTC are not parties to any written agreements I may have entered into with my Broker/Dealer and Investment Professional which allows for financial advisory fees to be charged by my Investment Professional. I acknowledge and agree that neither NFS nor FMTC will incur any liability for the payment of financial advisory fees to my Investment Professional, and I authorize NFS to accept instructions from my Broker/Dealer or Investment Professional as to the amount and timing of the payment of financial advisory fees and to debit my account to pay such fees to my Investment Professional on my behalf. I understand my Broker/Dealer may charge fees in addition to or in lieu of those described herein, and that it is my obligation to ensure I comply with the IRA contribution, distribution, and prohibited transactions rules.

I understand that the financial advisory fees will be paid from the core account of my retirement account as described in this Customer Agreement. I understand this authorization will remain in effect until it is terminated by me, my Broker/Dealer or by NFS (or its agents, affiliates, or successors) in writing. I acknowledge and agree such termination shall not affect any obligation or liability arising prior to termination. **NFS shall be entitled to rely conclusively upon any financial advisory fee instruction or direction received by my Broker/Dealer or Investment Professional and NFS and FMTC shall be indemnified for any action or inaction with respect to honoring such instructions or directions.**

Use of Funds Held Overnight

As compensation for services provided with respect to accounts, NFS receives use of: amounts from the sale of securities prior to settlement; amounts that are deposited in the accounts before investment; and disbursement amounts made by check prior to the check being cleared by the bank on which it was drawn. Any above amounts will first be netted against outstanding account obligations. The use of such amounts may generate earnings (or "float") for NFS or instead may be used by NFS to offset its other operational obligations. Information concerning the time frames during which NFS may have use of such amounts and rates at which float earnings are expected to accrue is provided as follows:

- (1) **Receipts.** Amounts that settle from the sale of securities or that are deposited into an account (by wire, check, ACH (Automated Clearing House) or other means) will generally be invested in the account's core account by close of business on the business day following NFS's receipt of such funds. NFS gets the use of such amounts from the time it receives funds until the core account purchase settles on the next business day. Note that amounts disbursed from an account (other than as referenced in Section 2 below) or purchases made in an account will result in a corresponding "cost" to NFS. This occurs because NFS provides funding for these disbursements or purchases one day prior to the receipt of funds from the account's core account.

These "costs" may reduce or eliminate any benefit that NFS derived from the receipts described previously.

- (2) **Disbursements.** NFS gets the use of amounts disbursed by check from accounts from the date the check is issued by NFS until the check is presented and paid.
- (3) **Float Earnings.** To the extent that such amounts generate float earnings, such earnings will generally be realized by NFS at rates approximating the Target Federal Funds Rate.

24. I understand that if I am re-registering a limited partnership, I may be charged a re-registration fee, up to the maximum of \$200, to change my registration to NFS.

25. Neither You nor NFS shall be liable for loss caused directly or indirectly by war, natural disasters, government restrictions, exchange or market rulings, or other conditions beyond Your control, including, but not limited to, extreme market volatility or trading volumes. Neither You nor NFS shall be responsible for any loss or expense relating to removal of assets from, or restrictions on trading in, securities in my account based on the actions of the issuer.

26. Debit items (including checks, securities purchases, electronic transfers of money, levies, court orders or other legal process payments) are paid daily to the extent that sufficient funds are available. Note that debits to resolve securities transactions or the payment of account fees will be given priority over other debits, such as check transactions.

All debits are accumulated daily to my account and are paid to the extent that sufficient funds are available. As an account owner, I am responsible for satisfying all debits on my account, including any debt still owed after all assets have been removed from an account, any interest (at prevailing rates) that has accrued on that debt, any late charges arising from my failure to pay for securities transactions in full by the settlement date, and any costs (such as legal fees) that You or NFS incur in collecting the debt.

When settling debits against my account, it is NFS's policy to turn the following sources (collectively called my "available balance"), in this order:

- Any cash available in my account (i.e., core and free credit balances)
- Any shares in another eligible money market fund
- Any cash or securities in this or any other account furnished by You in which I have an interest

I authorize You to use cash or securities for this purpose when I sign the application.

If a check issued to me from my account remains uncashed and outstanding for at least six months, I authorize and instruct NFS to cancel the check and return the underlying proceeds to me by depositing the proceeds into my core account.

27. The reasonable costs of collection of any unpaid deficiency in my retirement account, including attorneys' fees incurred by You or NFS, shall be reimbursed by me to You or NFS.

28. To help the government fight the funding of terrorism and money-laundering activities, Federal law and contractual obligations to NFS require that You obtain my name, date of birth, address, and a government-issued identification number before opening my account, to verify my identity. In certain circumstances, You may obtain and verify this information with respect to any person(s) authorized to effect transactions in an account. For certain entities, such as trusts, estates, corporations, partnerships, or other organizations, identifying documentation is also required. My account may be restricted and/or closed if You and/or NFS cannot verify this information. Neither You nor NFS will be responsible for any losses or damages (including but not limited to lost opportunity) resulting from any failure to provide this information or from any restriction placed upon, or closing of, my account.

Any information I provide to You may be shared by You and/or NFS with third parties for the purpose of validating my identity and may be shared for other purposes in accordance with Your applicable privacy policy and the National Financial Services LLC Privacy Policy. Any information I give to You may be subject to verification, and I authorize You and/or NFS to obtain a credit report about me at any time. Upon written request, I will be provided the name and address of the credit reporting agency used. You and/or NFS also may monitor or tape-record conversations with me in order to verify data about any transactions I request, and I consent to such monitoring or recording.

29. I understand that my retirement account will be invested in accordance with my instructions as given from time to time to You, and as otherwise described herein.

30. I understand that I am deemed to have received a copy of the Premiere Select Traditional IRA Disclosure Statement and/or Premiere Select Roth IRA Disclosure Statement, as applicable, unless a request for revocation is made to the Custodian within seven (7) calendar days following acceptance of my retirement account by or on behalf of the Custodian, as evidenced by notification.

31. I am aware that various federal and state laws or regulations may be applicable to transactions in my account regarding the re-sale, transfer, delivery or negotiation of securities, including the Securities Act of 1933 (the "Securities Act") and Rules 144, 144A, 145 and 701 thereunder. I agree that it is my responsibility to notify You of the status of such securities and to ensure that any transaction I effect with You will be in conformity with such laws and regulations. I will notify You if I am or become an "affiliate" or "control person" within the meaning of the Securities Act with respect to any security held in my account. I will comply with such policies, procedures and documentation requirements with respect to "restricted" and "control" securities (as such terms are contemplated under the Securities Act) as You may require.

In order to induce You to accept orders with respect to the securities in my account, I represent and agree that, unless I notify You otherwise, such securities or transactions therein are not subject to the laws and regulations regarding "restricted" and "control" securities. I will not buy or sell any securities of a corporation of which I am an affiliate or sell any restricted securities except in compliance with applicable laws and regulations and upon notice to You that the securities are restricted.

I understand that if I engage in transactions that are subject to any special conditions under applicable law, there may be a delay in the processing of the transaction pending fulfillment of such conditions. I acknowledge that if I am an employee or "affiliate" of the issuer of a security, any transaction in such security may be governed by the issuer's insider trading policy, and I agree to comply with such policy.

32. This Agreement shall be governed by the laws of the Commonwealth of Massachusetts, except as superseded by federal law or statute; shall cover individually and collectively all retirement accounts which I may open or reopen; shall inure to the benefit of the successors of FMTC, NFS, or You, and assigns, whether by merger, consolidation or otherwise; and NFS may transfer my account to the successors and assigns. This Agreement shall be binding upon my heirs, executors, administrators, successors, and assigns.

33. As applicable, I understand and/or represent that:

- NFS has the authority to accept orders and other instructions relative to the trust account identified herein from those individuals listed on the application. The trustee(s) may execute any documents on behalf of the trust that You or NFS may require. By signing this form, the trustee(s) hereby certify(ies) that You or NFS are authorized to follow the instructions of any trustee and to deliver funds, securities, or any other assets in the NFS account to any trustee or on any trustee's instructions, including delivering assets to a trustee personally. NFS, in its sole discretion and for its sole protection, may require the written consent of any or all trustees prior to acting upon the instructions of any trustee.
- There are no other trustee(s) of the trust other than those listed on the Application or identified on a separate piece of paper attached to this Application and as listed on the Trustee Certification of Investment Powers form included with this Application.
- Should only one person execute this agreement, it shall be a representation that the signer is the sole trustee. Where applicable, plural references in this certification shall be deemed singular.
- We, the trustees, have the power under the trust and applicable law to enter into the transactions and issue the instructions that we make in this account. We understand that all orders and transactions will be governed by the terms and conditions of all other account agreements applicable to this account.
- To the extent that the employer-sponsored plan assets inherited by a trust are being directly rolled to an IRA BDA, as trustee for the above-referenced trust, I hereby certify that the trust is a qualifying non-spouse beneficiary for purposes of Section 402(c) of the Internal Revenue Code and is therefore eligible to directly roll over assets to an IRA BDA.

- We, the trustees, jointly and severally, indemnify You and NFS and hold You and NFS harmless from any claim, loss, expense, or other liability for effecting any transactions, and acting upon any instructions given by the trustees. We, the trustees, certify that any and all transactions effected and instructions given on this account will be in full compliance with the trust.
- We, the trustees, agree to inform You in writing of any change in the composition of the trustees, or any other event that could alter the certifications made above.
- We, the trustees, agree that any information we give to NFS on this account will be subject to verification, and we authorize You and/or NFS to obtain a credit report about me (any of us) individually at any time. Upon written request, You or NFS will provide the name and address of the credit reporting agency used.

34. Choice of Marketplace. When securities may be traded in more than one marketplace, NFS may use its discretion in selecting the market in which to place my order.

35. Receipt of Communications. Communication by mail, messenger, telegraph, electronic mail or electronic record, or otherwise, sent to me at the address of record listed on the Application or any other address I may give You in writing are presumed to be delivered to and received by me whether actually received or not. A statement of all transactions will be mailed to the address of record, monthly or quarterly, depending on activity or instead of receiving these documents through the mail I may, if the service is offered by my Broker/Dealer, choose to receive electronic notification that statements and trade confirmations are available for online viewing. There is no fee for this option, and I may switch to or from it at any time. For more information, I understand that I should speak with my investment representative. I understand that I should promptly and carefully review the transaction confirmations and periodic account statements and notify You of any errors. Information contained on transaction confirmations and periodic account statements is conclusive unless I object in writing within five and ten days, respectively, after transmitted to me.

36. Purchase of Precious Metals. I understand and acknowledge that precious metals and other collectibles within the meaning of Internal Revenue Code Section 408(m) may not be purchased in retirement accounts except as otherwise permitted by ERISA and the Internal Revenue Code. If I direct You or NFS to purchase eligible gold, silver and platinum coins for me, I understand the following: a) The SIPC does not provide protection for precious metals. However, metals stored through NFS are insured by the depository at market value. b) Precious metals investments can involve substantial risk, as prices can change rapidly and abruptly. Therefore, an advantageous purchase or liquidation cannot be guaranteed. c) If I take delivery of my metals, I am subject to delivery charges and applicable sales and use taxes.

To the extent that collectibles, including precious metals, are held in an underlying trust or other investment vehicle such as an exchange traded fund, it is my responsibility to determine whether or not such an investment is appropriate for an IRA or retirement plan account and whether the acquisition of such investment may result in a taxable distribution from the IRA or retirement plan account under Section 408(m).

37. Termination of Retirement Account. This Agreement may be terminated in accordance with the terms and conditions set forth in the Premiere Select IRA Custodial Agreement, Premiere Select Roth IRA Custodial Agreement, or Premiere Select Retirement Plan and Trust Agreement, as applicable. My final instructions on record with NFS will be applied to any residuals or interest accruals after termination of my account.

My account balance and certain uncashed checks issued from my account may be transferred to a state unclaimed property administrator if no activity occurs in the account or the check remains outstanding within the time period specified by the applicable state law.

NOTICE TO CUSTOMER

38. Payment for Order Flow

If You transmit orders (including those generated by reinvested dividends)

through NFS, NFS in turn will send my orders to various exchanges or market centers based on a number of factors. Such factors include size of order, trading characteristics of the security, favorable execution prices (including the opportunity for price improvement), access to reliable market data, speed of execution, liquidity enhancement opportunities, availability of efficient automated transaction processing, and reduced execution costs through price concessions from the market centers. Certain of the market centers may execute orders at prices superior to the publicly quoted market in accordance with their rules or practices. While a customer may specify that an order be directed to a particular market center for execution, the order-routing policies, taking into consideration all of the factors listed above, are designed to result in favorable transaction processing for customers. You will furnish payment for order flow and routing policies to me on an annual basis.

You and NFS receive remuneration, compensation, or other consideration for directing customer orders for equity securities to particular Broker/Dealers or market centers for execution. Such consideration, if any, takes the form of financial credits, monetary payments, or reciprocal business.

Note: Trades placed through telephone, electronic or on-line trading systems cannot specify a particular market center for execution.

39. Investment Objective Descriptions

The typical investments listed with each objective are only some examples of the kinds of investments that have historically been consistent with the listed objectives. However, neither You nor NFS can assure that any investment will achieve my intended objective. I acknowledge that I must make my own investment decisions and determine for myself if the investments I select are appropriate and consistent with my investment objectives.

I acknowledge and agree that neither You nor NFS assume any responsibility to me for determining if the investments I selected are suitable for me.

Preservation of Capital. An investment objective of Preservation of Capital indicates that I seek to maintain the principal value of my investments and I am interested in investments that have historically demonstrated a very low degree of risk of loss of principal value. Some examples of typical investments might include money market funds and high-quality, short-term fixed-income products.

Income. An investment objective of Income indicates that I seek to generate income from investments and I am interested in investments that have historically demonstrated a low degree of risk of loss of principal value. Some examples of typical investments might include high quality, short- and medium-term fixed-income products, short-term bond funds, and covered call options.

Capital Appreciation. An investment objective of Capital Appreciation indicates that I seek to grow the principal value of my investments over time and I am willing to invest in securities that have historically demonstrated a moderate to above-average degree of risk of loss of principal value to pursue this objective. **Some examples of typical investments might include common stocks, lower-quality, medium-term fixed income products, equity mutual funds, and index funds.**

Trading Profits. An investment objective of Trading Profits indicates that I seek to take advantage of short-term trading opportunities, which may involve establishing and liquidating positions quickly. Some examples of typical investments might include short-term purchases and sales of volatile or low-priced common stocks, put or call options, spreads, straddles and/or combinations on equities or indexes.* This is a high-risk strategy.

Speculation. An investment objective of Speculation indicates that I seek a significant increase in the principal value of my investments and I am willing to accept a corresponding greater degree of risk by investing in securities that have historically demonstrated a high degree of risk of loss of principal value to pursue this objective. Some examples of typical investments might include lower-quality, long-term fixed-income products, initial public offerings, volatile or low-priced common stocks, the purchase or sale of put or call options, spreads, straddles and/or combinations on equities or indexes,* and the use of short-term or day trading strategies.

*** Retirement accounts may not be approved for margin trading privileges. Margin is required to sell covered puts and uncovered puts and call options, conduct spreads, and to write straddles and combinations on equities or indexes.**

40. FINRA Rule 4311

FINRA Rule 4311 requires that You and NFS identify the various functions that You and NFS each agree to perform regarding the administration of my brokerage account. The following is a summary of the allocation services performed by You and NFS. A more complete description is available upon request.

As my Broker/Dealer, You are responsible for (1) obtaining and verifying account information and documentation, (2) opening, approving, and monitoring my brokerage account, (3) transmitting timely and accurate instructions to NFS with respect to my brokerage account, (4) determining the suitability of investment recommendations and advice, (5) operating and supervising my account and its own activities in compliance with applicable laws and regulations, including compliance with margin rules pertaining to my margin account (if applicable), and (6) maintaining the required books and records for the services it performs.

NFS shall perform the following tasks at Your direction: (1) execute, clear and settle transactions processed through NFS by You, (2) prepare and send transaction confirmations and periodic statements of my retirement account (unless You have undertaken to do so). Certain pricing and other information may be provided by You or obtained from third parties, which has not been verified by NFS, (3) act as custodian for funds and securities received by NFS on my behalf, (4) follow Your instructions with respect to transactions and the receipt and delivery of funds and securities for my account, and (5) extend margin credit for purchasing or carrying securities on margin, if applicable. You are responsible for ensuring that my account is in compliance with federal, industry, and NFS margin rules and for advising me of margin requirements. NFS shall maintain the required books and records for the services it performs.

41. Pre-Dispute Arbitration Agreement

This agreement contains a pre-dispute arbitration clause. By signing an arbitration agreement, the parties agree as follows:

- (A) All parties to this agreement are giving up the right to sue each other in court, including the right to a trial by jury, except as provided by the rules of the arbitration forum in which a claim is filed.
- (B) Arbitration awards are generally final and binding; a party's ability to have a court reverse or modify an arbitration award is very limited.
- (C) The ability of the parties to obtain documents, witness statements, and other discovery is generally more limited in arbitration than in court proceedings.
- (D) The arbitrators do not have to explain the reason(s) for their award unless, in an eligible case, a joint request for an explained decision has been submitted by all parties to the panel at least 20 days prior to the first scheduled hearing date.

- (E) The panel of arbitrators will typically include a minority of arbitrators who were or are affiliated with the securities industry.
- (F) The rules of some arbitration forums may impose time limits for bringing a claim in arbitration. In some cases, a claim that is ineligible for arbitration may be brought in court.
- (G) The rules of the arbitration forum in which the claim is filed, and any amendments thereto, shall be incorporated into this agreement.

All controversies that may arise between me, You and NFS concerning any subject matter, issue or circumstance whatsoever (including, but not limited to, controversies concerning any account, order or transaction, or the continuation, performance, interpretation or breach of this or any other agreement between me, You and NFS whether entered into or arising before, on or after the date this account is opened) shall be determined by arbitration in accordance with the rules then prevailing of the Financial Industry Regulatory Authority (FINRA) or any United States securities self-regulatory organization or United States securities exchange of which the person, entity or entities against whom the claim is made is a member, as I may designate. If I designate the rules of a United States self-regulatory organization or United States securities exchange and those rules fail to be applied for any reason, then I shall designate the prevailing rules of any other United States securities self-regulatory organization or United States securities exchange of which the person, entity or entities against whom the claim is made is a member. If I do not notify You in writing of my designation within five (5) days after such failure or after I receive from You a written demand for arbitration, then I authorize You and/ or NFS to make such designation on my behalf. The designation of the rules of a United States self-regulatory organization or United States securities exchange is not integral to the underlying agreement to arbitrate. I understand that judgment upon any arbitration award may be entered in any court of competent jurisdiction.

No person shall bring a putative or certified class action to arbitration, nor seek to enforce any pre-dispute arbitration agreement against any person who has initiated in court a putative class action; or who is a member of a putative class who has not opted out of the class with respect to any claims encompassed by the putative class action until: (i) the class certification is denied; or (ii) the class is decertified; or (iii) the customer is excluded from the class by the court. Such forbearance to enforce an agreement to arbitrate shall not constitute a waiver of any rights under this agreement except to the extent stated herein.
